"If...
If I had a big kite,
With a very short tail,
And a very stout cord, -
And there came a great gale, -
I'd hold fast to the string,
And away we would fly,
I and my kite,
Up, up to the sky!"

Beginning Preschool & Toddler Program:

Our youngest friends have been enjoying piling up, running through and jumping in all the fallen leaves! The cooler mornings are calling for more classroom playtime until the sun comes out and warms everything up. We're preparing for the coming rain and enjoying holiday crafts, lots of playdough and sandbox treasure hunts along with plenty of climbing!

Preschool Program:

Winter is upon us and there is so much excitement in the air - along with falling leaves and afternoon blustery winds! Our big Preschool friends are working diligently on their curriculum, holiday crafts and a renewed enthusiasm for all the wonders of outdoor play - sandbox fun, racing bikes and playing chase with friends!

School-Age Program:

Our big kids are so excited for the upcoming AUSD school breaks and heading into the new year! We are enjoying the cool weather and falling leaves - though after school outside play time is precious with the time change and dark coming on earlier - this makes early release Fridays all the more fun. Lots of soccer, kick ball and playing tag. Some friends are back to working on knitting projects - warm hats for the cooler months!
